

ABOUT GOODROSE FOUNDATION

Celebrating aging and respect their elders are the essential values in traditional Chinese culture. Goodrose Foundation seeks to work with business entrepreneurs and professionals who have demonstrated commitment, vision, moral leadership and calculated risk-taking in building their families and raising their children. It provides household assistance services and counsel for the parents who do not have the substantial recourses and arrangement availability to grow the family behind their hardworking and busy professional life.

Goodrose Foundation is an IL registered organization and was funded by Yulane Reproductive Genetics Institute (Yulane RGI) located at 2910 MacArthur, Northbrook (Lab) with the surgical center at 60 E. Delaware Place, 15th and 14th floors Chicago. Goodrose is one of Yulane RGI's subsidiary legal entities providing the Family Concierge Services since 2003. With its mission titled PARENTS FIRST, the Goodrose Family Concierge Services includes programs for Daycare, Kitchen, family cooking learning, preschool and afterschool and tutoring including household arrangements services (family legal, accounting, medical, home maintenance arrangements). In 2017 Goodrose is opening its storefront at 5009 N Sheridan Chicago.

The following is brief descriptions of Goodrose Concierge Services

PARENT-FIRST Program

The PARENT-FIRST Program is provided per family annual membership with celebrating the family birthdays and event arrangements for the parents and grandparents on behalf of the children.

HOUSEHOLD ASSISTANCE Program:

The household assistance is the referral program that helps provide the membership families the assistance from the nanny, babysitter, transportation, school, family legal and accounting and making medical appointment are added services with additional fee schedule.

ACADEMY Program

If center spaces are available, with its service mission is to develop a premier parenting v.s. children life-sharing workshop, Goodrose Academy provides the parents' sharing program(s) for learning and raising their children in one single space for its member families. The center provides enough space for pre-school and after school programs if needed. Each center is required to have a children's playground, classroom, and kitchen, large counter-top for chopping, sewing, handcrafting, calligraphy, and book reading activities with additional fee schedule.

Complimentary

Calligraphy writing is complimentary for all programs per the availability of center space.
