favorite holiday?	
If you could be animal, what would you be and why?	I think I would be a hawk. Having the freedom & means to fly anywhere in the world would be incredible!
+	
Why do you want to become a donor?	I have been an egg donor previously & it is such a rewarding experience. There is no feeling like helping others achieve their life-long dreams of having their own family.
Do you have a message you would like to share with the recipients?	I just want to thank you for giving me the opportunity to be such an important part of this special journey you're taking in your life. I promise to take this more seriously than anything else in my life, as this is YOUR future. I trust that you will give as much patience & unconditional love as humanly possible.
