about it?..	for a year, and strongl..
Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having a minor out - patient surgery. Our office, the doctor's office, and your intended parent (s) will count on you to be responsible throughout the entire cycle. So you feel prepared to commit to this process? +	I feel like I am fully prepared to commit to the process and do anything possible to make sure that it goes smoothly..
How do your friends and family feel about your decision?..	My friends and boyfriend are completely supportive of my decision. I have not talked it over with my parents as I feel it is a personal decision..
What would you like to say to the couple who chooses you to be their donor?..	I hope that you will find much happiness in your life and bring much happiness to the life of your child..
Would you be willing to take a donor compensation of \$5,000 to help a couple who has been affected by the recession? It may help get you matched more quickly the first time and if you choose to come back and donate again, you would be considered a 'Previous' donor and would be given a higher fee?..	No..
Gifted Journeys strongly believes all loving and able couples or individuals deserve the chance to be parents regardless of sexual preference, marital status, ethnicity or sex of the egg recipient. Are you open to being matched with all types of families? If no, please explain:..	Yes..
